Briefing Note – COVID-19 and Declaration Regarding Syllabi Changes
Prepared by: Office of the University Secretary & Chief Governance Officer
March 13, 2020; Last updated March 17, 2020

Purpose

- With the ongoing risk of COVID-19, the University of Saskatchewan is taking steps to ensure the health and safety of our students, faculty, and staff, while continuing to support its core academic mission and governance functions.
- Under these circumstances, it will be necessary for courses to move to an alternate delivery mode (such as online) at short notice and examinations may need to be delivered in an alternate timeline or format.

Academic Courses and Examinations Policy

- The Academic Courses Policy governs the delivery of academic courses and examinations at USask. Importantly, this policy outlines the requirements for the content of course syllabi, which outlines the mode of course delivery as well as the format and weighting of final examinations.
- University Council: “prescribes methods and rules for evaluating student performance, including prescribing examination timetables and the conduct of examinations” (delegated through the academic courses policy); and “prescribes dates for beginning and ending lectures” c.U-6.1 61(1)(g);(k).

Action(s)

University Council, as approved by the Coordinating Committee: “Grants authority to instructors to alter syllabi for their classes for the duration (timeframe as determined by the President) of the COVID-19 pandemic to allow for alternate modes of course delivery and examinations.”

The spirit and intent of (and the principles underlying) this motion are that, due to the COVID-19 pandemic, syllabi will necessarily have to change and faculty should undertake in good faith the changes necessary to implement the completion of their courses in ways that: (1) will fulfill the learning objectives of the course, (2) are initiated with the best interests of students in mind, and (3) are within the realm of feasibility given the circumstances. The term “course delivery” in the motion thus refers to implementation overall.

The Governance Committee has assigned responsibility to the Coordinating Committee of Council to “take necessary measures in light of COVID-19 in the best interest of the university to deliver on the core academic mission while also ensuring the health and safety of the campus community.”
