Interested in governance at the University of Saskatchewan? Consider offering to join a University Committee

Each year, the nominations committee of Council invites University of Saskatchewan faculty members, librarians, and sessional lecturers to step forward and offer to serve on university committees. Our committees are the mechanism through which collegial university governance is achieved. Finding excellent people to serve on our committees is the job of the nominations committee. The committee’s terms of reference direct it to find members who are broadly representative of the disciplines of the university, and to strive for equity and diversity in representation. Nominees are selected for their experience, demonstrated commitment, and potential for significant contributions to committee functions.

Following are the committee vacancies to be filled for the 2020-2021 academic year. Appointments are generally for three-year terms. Sessional lecturers are appointed for one-year terms.

To volunteer or to nominate someone - submit nominations online at: https://secretariat.usask.ca/forms/ by Wednesday, March 25, 2020.
