Office of the University Secretary
Introduction

This Council Handbook is the second part of the orientation materials available from the Office of the University Secretary for members of the University of Saskatchewan’s governing bodies. The first part of the materials is the Orientation to University Governance. That document should be read in conjunction with this Council Handbook.

By way of background, the Orientation to University Governance document covers the following topics:

- The Mission, Vision and Values of the University of Saskatchewan (USask);
- An overview of the university’s governance, administration and organizational structures;
- Tricameral governance at USask;
- The main responsibilities of members of the governing bodies;
- Appendices include the university’s Strategic Plan: 2025, The University of Saskatchewan Act 1995, and contact information for the Office of the University Secretary.

This Council Handbook covers the following topics:

- An overview of meeting modalities, deadlines, schedules, etc.;
- Procedures and guidelines for Council meetings;
- Links to the most up-to-date membership lists;
- Information on Council member responsibilities for student hearings and appeals;

Questions on either of these orientation materials can be directed to Jacquie Thomarat, Associate Secretary, Academic Governance.

Meetings

Meeting Modality
Meetings will take place via WebEx at least for the fall of 2020 due to the COVID-19 pandemic. An update on meeting modality will be provided before the January 21, 2020 meeting with respect to the meetings for the winter.

Protocols for WebEx Meetings

- We will host a virtual WebEx meeting with access to the link provided in advance of the meeting by email. Members do not need a WebEx account to join the meeting. The virtual meeting will be audio only with everyone's microphones automatically muted. You will need to unmute if you are called by the Chair to speak. Please mute again once you have finished speaking. Participants are asked to disable their video for the duration of the meeting.
- Motions: Only voting members can move or second a motion. Please use the 'chat' function to move or second a motion so that it can be recorded in the meeting minutes. There will be a polling feature enabled after each motion is presented. The Chair will give instructions on the voting process.
- Questions or comments: If you have a question or comment after a report, please use the 'chat' function to indicate the same. The Chair will call on the speakers in the order that they appear on the list in the 'Chat'. Please DO NOT type your question or comment directly into the dialogue box.
- Attendance and quorum will be determined by the list of participants at the virtual WebEx meeting.

Schedule
Part one, section III. 5(b) of the Council bylaws stipulate that Council will meet monthly during the academic term (September - June) except in February. The Chair can call a meeting during a month when a meeting is not normally scheduled.

Deadlines

Part one, section III.5(f) of the Council bylaws stipulate that “except as provided in bylaws (e) and (h), a motion will be preceded by a notice of motion presented in writing to the members of Council not less than 10 days prior to the date of the meeting at which the motion is to be considered. This bylaw applies only to a motion dealing with a substantive matter which requires consideration by members of Council prior to the meeting at which the motion is presented. Whether or not a motion falls within this bylaw will be determined by the Chair.” Therefore, materials are due by the following dates.

114. Preparation of Minutes

Minutes are the permanent record of the proceedings of a general or committee meeting of an organization. The minutes are prepared by the meeting secretary and include the following basic items:

1) The date, time, and place of the meeting
2) The name of the person in the chair and of any changes in the chair;
3) The number of members present and where practical their names;
4) All rulings made by the chair and the nature and result of any appeals that arise from these rulings
5) All motions properly moved, including the name of the mover and seconder;
6) The results of all votes taken
7) A list of all reports and documents introduced during the meeting, with copies of these reports being attached to the official copy of the minutes;
8) A summary of significant points raised during the debate of motions, but not a verbatim account of the speeches;
9) Any commitments made by officers or any other persons present at the meeting;
10) The time of adjournment
11) The signature of the meeting secretary.

Minutes need to be clear, accurate, brief, and objective. With respect to the last of these, it is important to remember that the minutes are no place for the expression of personal opinions, interpretations, or commentaries on the debates. In the cause of accuracy, the secretary is entitled to ask questions on the meaning of motions, remarks, or proposals, and to determine the names of movers of motions or speakers in a debate.

Protocol for minutes

“The Secretary will indicate the tenor of the discussion without attribution of comments to particular Council members unless they are speaking ex officio, e.g. as Provost, as Dean of a College, etc. or unless a member asks that the comments be on record (normally at the same meeting).
The Secretary will also record commitments, e.g. to investigate something, including the name of the person who will be responsible for undertaking the commitment and/or for bringing a report back to Council.”

Approved by Council November 2005, reviewed by the coordinating committee of Council October 2015

Guidelines for Council Motions

A motion is a statement of action taken in response to a question. Motions enable clear decision-making in a meeting in a fair and effective manner. Once a motion is made, it becomes the property of the meeting and the mover and seconder no longer have any proprietary right over the motion. There are four types of motions according to Kerr and King: procedural, regulatory, substantive, and amendments or sub-amendments.

Types of Motions:

- **Motion to receive:** In receiving a document, Council acknowledges that a report has been presented but leaves open the question of what actions, if any, should be taken as a consequence. Approval of a motion to receive a report means that the committee is discharged (unless it is a standing committee) and is relieved of further responsibility for the matter. The motion to receive a report is neither debatable nor amendable. By receiving a report, Council is not bound by the report’s findings or recommendations contained within it; such recommendations may be considered and adopted (or not) in a subsequent motion or at a later meeting.

- **Motion to accept:** This is much like a motion to receive, except that it enables the report to be debated. It is used when a report contains significant information but no specific recommendations. Since a report is a historical document that contains the findings and conclusions of a committee, it cannot be amended, even when a meeting does not agree with its contents. The motion to accept a report is debatable, but cannot be amended.

- **Motion to recommend for approval:** This motion is used where the document being reviewed is under the jurisdiction of one of the other governing bodies of the university (such as the Board or Senate), to indicate that Council has looked at it and is in agreement with the findings and/or recommendations contained within it.

- **Motion to approve in principle [or to endorse]:** Such a motion indicates that Council is in agreement with the general direction and intent of a document, but has not yet approved any specific actions in it; these (if they are under Council’s jurisdiction) would require a subsequent motion to approve them.
• **Motion to approve:** in approving a document, Council also approves the particular findings and recommendations put forth within it.

• **Motion to ratify:** This is used in rare circumstances, such as when a negotiated agreement is put to the membership for approval.

• **Motion to adopt:** This motion has an element/flavour of ‘owning’ what is being recommended—for example, Council could adopt a document that lays out a procedure for something under Council’s jurisdiction (such as procedures for program deletion), or a bylaw change. Once adopted, there is an expectation that Council itself will implement the substance of the motion, and that there is a long-term commitment to its intent.

Approved by the Coordinating Committee Dec 2/08 and revised Dec 3/10

**Notice of Motion**

The purpose of a Notice of Motion is to ensure that members have an opportunity to know in advance what topics will be on an agenda, and thus to judge the importance of attending the meeting to register their vote. Once a notice of motion is given, other motions on the same topic will generally be allowed by the chair, and/or amendments—even fairly significant ones—can be made to the motion without further notice.

Council’s Bylaws indicate that, “a motion to amend the bylaws will be preceded by a notice of motion presented in writing to the members not less than 30 days prior to the date of the meeting at which the motion is considered.”

Other motions dealing with substantive matters requiring consideration by members of Council require only 10 days’ written notice of motion. Where there is uncertainty about whether a motion deals with ‘substantive matters,’ the Chair makes a ruling. The requirement for 10 days’ notice may be suspended upon vote of two-thirds of the members present and voting at a Council meeting.

A recommendation to Council contained in a committee report is deemed to be a notice of motion if the report containing the recommendation is included with the agenda of the meeting at which the report is considered.

Kerr and King (*Procedures for Meetings and Organizations*) indicate that Notice of Motion can be made by the executive, committees, or individual members, and that they must include the name of the mover and the seconder of the motion. Movers and seconders of any motion at Council must be members of Council and must be present at the meeting at which the motion is debated and voted upon.

**Motions from individual members of Council**

Individual members of Council may present motions to Council in any one of three ways:

1) send a Notice of Motion to Coordinating Committee along with supporting documentation; the Committee would then put it on the Council agenda or refer it to a committee, which will then report back on the matter to the Coordinating Committee and to Council;

2) send a Notice of Motion directly to the University Secretary to include with agenda materials for the next Council meeting, to be included with the agenda materials for that meeting as a Notice of Motion for the following meeting; or
3) propose from the floor at a Council meeting that an item and/or motion be added to the agenda. This would then require a 2/3 majority vote to be added to the agenda, and the motion could be dealt with at that meeting.

approved by the Coordinating Committee Dec 2/08 and revised Dec 3/10

Guidelines for Council Committees, Committee Minutes, and Minority Reports

Meetings of Council Committees*

1) Committee meetings are open to members (voting and non-voting), resource personnel and invited guests only.

2) Quorum for committees is a majority of the voting members, except for the nominations committee, whose quorum is 2/3 of the voting members.

3) The President and the Chair of Council are ex officio, non-voting members of all Council committees. They are not counted when determining the quorum of a committee meeting.

4) An ex officio voting member may designate an individual to serve in her or his place on a committee of Council with the same powers as the designator. If possible, such designations should be made prior to the committee’s first meeting of the year in the Fall. The designation may be renewed. If the individual designated is unable to complete the full term, another individual may be designated to serve. To initiate the designation, the ex officio member will inform the Chair of Council and the Chair of the committee involved. During the period of designation, the ex officio member who initiated the designation may still attend committee meetings from time to time with a voice but no vote.

5) Standing committees may create subcommittees, including subcommittees composed of persons who are not members of Council.

6) Members of standing committees or subcommittees who have disclosed a conflict of interest will abstain from voting in committee proceedings, and when appropriate will withdraw from all committee deliberations with respect to the matter.

* as prescribed by Council Bylaws

Editorial revisions approved by the coordinating committee September 2018

Minutes of Council Committees*

Each standing committee and subcommittee must keep a record of its proceedings in the form of minutes. Whenever practical, minutes should be approved at the next duly constituted meeting of the committee.

1) The record shall be open to any member of the committee, whether voting or non-voting.

2) The record is confidential, but excerpts from the minutes may be released at the discretion of the chair and will not be unreasonably withheld. If the minutes are withheld, the decision may be appealed in writing to the vice-chair of Council. The decision of the vice-chair is final.

3) Each standing committee is required to report at least annually to Council.*
Minority Reports of Council Committees

The inclusion of a minority report in a committee report to Council is the exception rather than the rule. The decision of whether or not to include a minority report is a decision made by the committee chair alone on a case-by-case basis, taking into account the basis of the report and the relevant circumstances of the item under discussion.

*Approved by the coordinating committee October 9, 2014*

Council Members and Student Hearings and Appeals

In 2016, Council approved that all Council members, other than *ex officio* members, be members of the student academic hearing and appeals committee to ensure that this committee has sufficient members from which to constitute student disciplinary and appeal boards. A member may decline to serve on any hearing or appeal board when contacted by the university secretary.

*The University of Saskatchewan Act, 1995* assigns Senate with the responsibility to govern non-academic student discipline and assigns Council with the responsibility to govern student academic dishonesty and student appeals of academic decisions. The university’s policies, procedures and regulations governing student hearings and appeals are housed on the university secretary website under Student Conduct and Appeals at [http://www.usask.ca/secretariat/](http://www.usask.ca/secretariat/).

The university secretary is responsible to constitute university-level student hearing and appeal boards. These are tribunal boards with decision-making authority. Council members who are contacted and agree to serve on a hearing or appeal board are provided with an orientation to the procedures and process that applies. Any questions may be directed to the university secretary.

Student Boards and Hearings

**Student Appeals in Academic Matters**

The [policy for Student Appeals of Evaluation, Grading and Academic Standing](https://secretariat.usask.ca/student-conduct-appeals/appeals-in-academic-matters.php) provides a means by which students who feel they have been disadvantaged in their academic standing, either by an unfair substantive academic judgement of their work, or by a factor not involving substantive academic judgement, may appeal the outcome of the assessment.

**Appeal Board**

Consists of three members of Council, one of whom is a student. One faculty member of the appeal board shall be named chair.

**Procedures**

**Student Academic Misconduct**

Academic misconduct is the term the university uses to describe cheating. Types of cheating are listed in the [Student Academic Misconduct Regulations](https://secretariat.usask.ca/student-conduct-appeals/student-academic-misconduct-regulations.php). There is an onus on every student to become informed about academic misconduct.

**Appeal Board**
Consists of three members of Council, one of whom is a student (or, in the case of the unavailability of a student member, a student appointed by the USSU or GSA Executive to hear the case). Where the case involves a graduate student, the faculty members on the board should be members of the graduate faculty. One faculty member of the appeal board shall be named chair.

**Procedures**

Council-approved procedures for cases of student academic misconduct are available here: https://secretariat.usask.ca/student-conduct-appeals/academic-misconduct.php.

---

**Student Non-Academic Misconduct**

The purpose of Student Non-Academic Misconduct regulations and procedures is not to actively monitor or control student behaviour, but rather to provide a mechanism for responding to complaints about student behaviour that violates the standard of conduct expected of students in non-academic matters.

**Hearing Board**

Consists of four members including the Vice-Provost, Teaching, Learning and Student Experience (or designate) as non-voting chair, a member of Senate, a member of Council, and a student member of Senate (or, in the case of the unavailability of a student member, a student appointed by the USSU or GSA Executive to hear the case).

**Appeal Board**

Consists of four members including the Provost (or designate) as non-voting chair, a member of Senate, a member of Council, and a student member of Senate (or, in the case of the unavailability of a student member, a student appointed by the USSU or GSA Executive to hear the case).

**Procedures**

Council approved procedures for cases of student non-academic misconduct are available here: https://secretariat.usask.ca/student-conduct-appeals/non-academic-misconduct.php#IVPROCEDURESFORRESOLUTIONOFCOMPLAINTS.
Council Bylaws

Part One

I. Constitutional Powers and Duties of Council

The University of Saskatchewan Act, 1995, S.S. 1995, c. U-6.1 prescribes the constitution, powers, and duties of Council. Section 60 of the Act provides that Council is responsible for “overseeing and directing the university’s academic affairs.” Section 61 provides a list of specific matters that fall within the jurisdiction of Council. These include the following: (the list is not exhaustive)

- grant academic degrees, diplomas and certificates of proficiency;
- grant scholarships, prizes, fellowships, bursaries and exhibitions;
- authorize the Board on academic grounds to establish or disestablish a college, school, department, chair or institute;
- authorize the Board on academic grounds to provide for or to dissolve affiliation or federation with another educational institution;
- prescribe curricula, programs of instruction and courses of study;
- prescribe methods and rules for evaluating student performance;
- discipline students for academic dishonesty;
- prescribing academic and other qualifications for admission;
- hear appeals by students or former students concerning academic decisions affecting them;
- prescribe the number of students to be admitted to a college or program;
- review library policies;
- review the physical and budgetary plans for the university and make recommendations respecting those matters to the President or the Board;
- exercise power that the Board or Senate may delegate to it;
- appoint members to committees composed of members of Council and any or all of the Board, the Senate and the General Academic Assembly;
- make bylaws governing election of members;
- make bylaws respecting any matter over which it has jurisdiction;
- make recommendations to the President, the Board or Senate respecting any matter that Council considers to be in the interests of the University;
- do anything that it considers necessary, incidental or conducive to the exercise of its powers to promote the best interests of the University or to carry out the purposes of the Act.

1 The exercise of some of these powers is subject to review by the General Academic Assembly and, in some cases, involves the Board of Governors or the Senate.
II. Election of Faculty Members to Council

1. The University Secretary will oversee the call for nominations and election of members of Council as provided in section 57(1) of The University of Saskatchewan Act, 1995.

2. The Act defines a faculty member as “a person who is employed on a full-time basis by the university or an affiliated or federated college and who serves as a professor, associate professor, assistant professor, lecturer, full-time special lecturer, full-time instructor, or librarian.”

3. A faculty member may choose to stand for election under one of the following sections:

   (a) Section 53(2)(b), [53(2)(d) - in the case of Librarian]

   “one faculty member representing each college or affiliated and federated college who is a member of the college and who has been elected by the members of the college;”

   (b) Section 53(2)(c), [53(2)(e) - in the case of Librarian]

   “one representative, in addition to the member mentioned in clause (b), representing each college or affiliated and federated college who is either:

   (i) the dean of the college, or a member of the college, who has been elected by the members of the college; or

   (ii) if there is no election, the dean of the college;”

   (c) Section 53(2)(i)

   “54 faculty members who have been elected by faculty members.”

4. Nominations will be made using the form provided by the Secretary. A nomination will be endorsed by the nominee and will confirm their eligibility and willingness to stand for election.

5. Once the deadline for nominations has passed, the Secretary will conduct elections by making ballots available to all eligible voters for positions referenced in sections 53(2)b, c, d, e, and i.

6. If there is a nomination or nominations under section 53(2)(c), or 53(2)(e), the dean of the college or Dean, University Library, as the case may be, will be so informed and asked if they wish to stand for election under this section.

7. In the event that insufficient nominations are received for faculty members at large under Section 53(2)(i) to fill the vacant positions, then those nominees whose nominations were received by the deadline will be considered elected by acclamation, and a second call for nominations will be sent.
8. In the event that insufficient nominations are received to fill the vacant positions for faculty members at large under Section 53(2)(i) following a second call for nominations, the Nominations Committee of Council will be asked to nominate faculty members to fill the vacant positions for a one-year term.

9. In the event that no nominations are received by the deadline for a College representative under Section 53(2)(b) or for a librarian under Section 53(2)(d), then a second call for nominations will be sent.

10. If after two calls for nominations no candidate comes forward for a College representative under Section 53(2)(b) or for a librarian under Section 53(2)(d), then the dean or the college committee charged with nominations will be asked to ensure that a candidate is nominated. The Secretary will run the election in the event that more than one nominee comes forward for a position from that process.

11. In the event that two or more nominees with the most votes receive the same number of votes, the Secretary will select the elected member from among those nominees by lot.

12. Candidates on the voting list who receive the greatest number of votes are elected to Council effective July 1. Should candidates so elected decline or otherwise be unable to accept a position on Council, such positions shall continue to be filled by those unelected candidates that received the greatest number of votes.

13. A vacancy on Council for a college representative under Section 53 (2) (b) or (c), a librarian under Section 53 (2) (d) or (3) or a faculty member under Section 53 (2) (i) shall be filled by an election held within 90 days of the vacancy, if the vacancy occurs within 27 months of that member being elected. A vacancy arising after that time shall be filled at the next annual election.

III. Procedural Bylaws of Council

1. Quorum for Meetings

(a) The quorum for regular and special meetings will be 40%.

2. The Duties of Chair and Vice-Chair

(a) The duties of the Chair will be carried out by the Vice-Chair when, for any reason, the Chair is unable to discharge these duties.

(b) If the Vice-Chair is required to act as Chair for more than one month, the Nominations Committee shall present to Council for approval the name of a person to be acting Vice-Chair until the Vice-Chair is able to resume the position of Vice-Chair.
(c) If the Chair, the Vice-Chair and the acting Vice-Chair are all unable to discharge the duties of the Chair, the Governance Committee shall name a member of Council to serve as Chair for a specified period of time.

(d) The Chair will preside over all meetings of Council. The Chair’s duties are to preserve order and decorum and, subject to appeal, to decide all questions of order and other questions as provided in these bylaws.

(e) The Chair will prepare a draft agenda for each meeting of Council and will present it for approval at the meeting.

(f) The Chair will not vote on a motion before Council except when there is an equal number of voting members supporting and opposing the motion.

(g) The Chair may seek the guidance and assistance of the governance committee with respect to matters pertaining to the role of the Chair.

(h) The Chair will be the spokesperson for Council in communications with the Board, the Senate, the General Academic Assembly and the public. In this respect, the role of the Chair is to explain the activities and to communicate the policies of Council.

3. Selection and Removal of the Chair and Vice-Chair

(a) The Chair and Vice-Chair will be selected as hereinafter provided.

(b) Thirty days prior to the deadline for receipt of nominations, the Secretary will inform all members of Council that nominations for the position of Chair are being requested and will provide a nomination form for this purpose.

(c) A Council member is nominated for the position of Chair when the nomination form referred to in (b) containing the consent of the nominee is endorsed by three members of Council and returned to the Secretary on or before the date specified by the Secretary. The nomination form will contain a brief description of the nominee stating the nominee’s qualifications for the position of Chair of Council.

(d) Ten days prior to the date of the election, the Secretary will provide to all members of Council a ballot setting out the names of the nominees and the brief description of each nominee referred to in (c). Information accompanying the ballot will indicate that the ballot is to be returned to the Secretary on or before the specified date.

(e) All ballots received by the Secretary on or before the date referred to in (d) will be reported by the Secretary to the next meeting of Council. The Chair of the Nominations Committee will determine whether an irregular ballot will be counted and the effect of any other election irregularities. The Chair’s decision will be final.
(f) In the event that the two or more nominees with the most votes receive the same number of votes, the Chair of the Nominations Committee will select the Chair by lot.

(g) In the event that no nominations are received by the deadline for nominations for Chair, a second call for nominations will be sent. If the second call for nominations does not elicit a nomination, then the Nominations Committee will be asked to nominate a member of Council to serve as Chair for a one-year term, and a call for nominations will go out the following year.

(h) The Nominations Committee will nominate a member of Council to serve as Vice-Chair.

(i) The Chair and Vice-Chair will normally hold office for a period of 2 years.

(j) Council may remove the Chair or Vice-Chair by a vote of 2/3 of the members of Council present and voting.

(k) If the Chair is unable to discharge the duties associated with the position for three months, the Governance Committee will present a motion to a meeting of Council asking for the removal of the Chair. A vote of 2/3 of the members of Council present and voting shall be necessary for the passage of such a motion. In the event such a motion is passed, an election will be held for a new Chair according to the procedures laid out in these bylaws.

4. **Council Membership**

(a) Annual elections for Council will be completed by March 31.

(b) Term of office for Council membership begins July 1 of the year of the member’s election or appointment, other than student members.

(c) Terms of student members will be one year beginning May 1.

(d) When a person appointed to Council under Section 53 (2)(c)(ii) of the Act ceases to be a dean, the acting dean or a new dean appointed during the term of the incumbent dean will occupy the position of dean with voice and vote until the expiration of the incumbent dean’s term on Council when a new election or appointment occurs.

(e) A vacancy occurs on Council when:

   (i) a member resigns from Council or ceases to be an employee of the University, or
(ii) a member is unavailable to attend meetings of Council for a period of greater than six months during their term.

(f) All Council members, other than ex officio members, are also members of the student academic hearing and appeals committee, from which representatives for student disciplinary and appeal boards are selected. Members may decline to serve on a board when asked.

5. Council Meetings

(a) Council meetings will be open except when Council decides to have them closed.

(b) Council will meet monthly during the academic term (September - June) except in February. The Chair can call a meeting during a month when a meeting is not normally scheduled.

(c) Attendees at Council meetings are expected to refrain from unauthorized audio or video recording of the proceedings and to respect the rulings of the Chair.

(d) Special meetings of Council can be called by the Chair or by petition of 20% of the members of Council.

(e) A motion to amend the bylaws will be preceded by a notice of motion presented in writing to the members not less than 30 days prior to the date of the meeting at which the motion is considered.

(f) Except as provided in bylaws (e) and (h), a motion will be preceded by a notice of motion presented in writing to the members of Council not less than 10 days prior to the date of the meeting at which the motion is to be considered. This bylaw applies only to a motion dealing with a substantive matter which requires consideration by members of Council prior to the meeting at which the motion is presented. Whether or not a motion falls within this bylaw will be determined by the Chair.

(g) The requirement of bylaw (f) may be suspended upon vote of two-thirds of the members present and voting at a meeting.

(h) A recommendation to Council contained in a committee report is deemed to be a notice of motion if the report containing the recommendation is included with the agenda of the meeting at which the report is considered.

(i) In the event of an emergency situation as declared jointly by the president and chair of Council or their respective delegates, if Council is unable to meet or attain quorum, Council may decide urgent matters by alternative means. Procedures governing such decisions are the responsibility of the governance committee.

(j) The meetings of Council and of committees of Council will be conducted in accordance with the rules of order contained in Procedures for Meetings and Organizations, Third Edition by Kerr and King.
(k) Unless Council decides otherwise, the secretary of Council meetings shall be the University Secretary, or a member of the University Secretary’s office as designated by the University Secretary.

IV. The Committees of Council

1. Creation and Composition of Council Committees

(a) Council has the statutory power to establish committees to facilitate its work. There is no requirement that these committees be composed entirely of Council members. Council is also empowered to appoint members of joint committees involving the Board, the Senate or the General Academic Assembly.

(b) The committees specified in Part Two of these bylaws are created as standing committees.

(c) The governance committee will nominate the members and Chair of the Nominations Committee.

(d) The Nominations Committee will nominate members, including the Chairs, of Council committees. Except where the chair is required to be a member of Council, the Nominations Committee shall first consider Council members for the position of Chair and if a suitable nominee cannot be obtained, then the Chair will be selected from the General Academic Assembly members.

(e) The Nominations Committee will present its nominations to Council at the May meeting and otherwise as required when vacancies occur.

It is the responsibility of the Nominations Committee of Council to present a slate of candidates for all committee positions except the Nominations Committee itself. The Committee will take into consideration the abilities and experience of the proposed nominees and the balance of representation from the various sectors of the campus. It will review the names of potential nominees submitted by faculty, department heads and deans and if necessary canvas additional individuals in order to develop an able, representative slate.

The Nominations Committee will present the slate to Council with sufficient names to fill the available positions. The Chair of Council will call for any further nominations from the floor. If there are none, the slate will be elected. If there are

2 The only statutory restriction on the committee structure is prescribed by section 61(2) of the Act which requires that a committee established to discipline students or hear appeals with respect to student discipline must contain members of Council who are students.
nominations from the floor there will be an election held within two weeks. The election will be held only for those committees that have received nominations exceeding the available positions. The ballot will be prepared and distributed by the University Secretary. The ballot will include the names of the slate presented by the Nominations Committee and the nominations from the floor indicating the Council status of each. It will indicate the positions to be filled and the eligibility requirements for the positions. Voters will indicate choices up to the number of positions available. Eligible candidates with the greatest number of votes will be declared elected.

(f) The President and the Chair of Council are *ex officio*, non-voting members of all Council committees. They are not counted when determining the quorum of a committee meeting.

(g) An *ex officio* member may designate an individual to serve in their place on a committee of Council with the same powers as the designator. Such designations shall last for twelve months and are subject to renewal. In the event that the individual is unable to complete the full term, another individual can be designated in their place. To initiate the designation, the *ex officio* member will inform the Chair of Council and the Chair of the committee involved. During the period of designation, the *ex officio* member who initiated the designation may still attend the Committee meeting from time to time with a voice but no vote.

(h) The USSU and GSA will name their appointees to Council committees for the year from May 1 to April 30.

(i) Resource personnel and offices providing administrative support are non-voting members of the committees and are not counted when determining the quorum of a committee meeting.

(j) Terms of office for Council committee members will begin July 1 unless otherwise provided by the Nominations Committee, except for student committee members whose terms of office will begin May 1.

(k) The term of office of a faculty member of a standing committee is three consecutive years, renewable once for up to an additional three years, for a maximum of six consecutive years of service. Once the maximum term of service has been reached, one year must lapse prior to the commencement of a new term on that same committee. The term of office of the Chair will be one year, renewable annually for up to two additional one-year terms. Once the Chair has served for a maximum of three consecutive years of service, one year must lapse before the member may serve as Chair of that same committee. The renewal of the Chair is subject to the six consecutive years of service a faculty member may serve on a standing committee. For greater certainty, the maximum six years of consecutive service limitation does not apply to *ex officio* members of a committee.

(l) The terms of student and sessional lecturer members will be one year.
When a committee member is appointed as a member of Council, their term will be completed even if they cease to be a member of Council provided they are and remain a faculty member.

In the event of a vacancy on a Council committee, the vacancy will be filled so that the balance between Council and General Academic Assembly members on the committee as specified in Part Two of the bylaw is maintained.

2. **Committee Responsibilities**

(a) The responsibilities of the standing committees are set out in Part Two of this document.

(b) All standing committees will meet and report to Council at least once each academic year.

(c) Standing committees may create subcommittees, including subcommittees composed of persons who are not members of Council.

(d) The quorum for standing committee meetings is a majority of the voting members. The quorum for the Nominations Committee is two-thirds of the voting members.

(e) Unless a motion of Council specifically provides otherwise, all recommendations of committees will be brought to Council for approval or change. Generally, committee recommendations are presented to Council in the form of reports.

(f) Council has statutory power to make recommendations to the President, the Board, or the Senate respecting matters that Council considers to be in the interests of the University. A matter may be referred to a Council committee by Council to develop recommendations to be presented to the President, the Board, or the Senate.

(g) The constitutional structure of the University provides for shared jurisdiction over matters. Consequently, it may be necessary for the President, acting as the chief administrator of the University, or the Board to seek the advice or assistance of a Council committee with respect to a particular matter. The power of a committee to provide advice or assistance to the President or the Board is specified in Part Two of these Bylaws or will be given by Council. The advice and assistance will not contradict or conflict with the bylaws of Council.

(h) A committee that provides advice and assistance pursuant to clause (f) will report to Council the general nature of the advice. However, the Committee need not report to Council on matters the disclosure of which would be inimical to the interests of the University. These matters will be disclosed to the governance committee at the request of the Chair of Council.
V. Conflict of Interest

1. Council Proceedings

(a) It is necessary to distinguish between the roles of the “representative” members of Council, on the one hand, and the “at large” and \( \textit{ex officio} \) members, on the other, with respect to their obligations to bring pertinent information to Council or to committees of Council and to report back to their constituents. However, there is no distinction with respect to the exercise of judgment and decision-making in Council meetings and in deliberations of a committee of Council. Members of Council and members of committees of Council will have as their principal concern the welfare of the University community. They will exercise independent judgment and may not act as agents of any person or organization.

(b) There are no restrictions on the rights of a Council member to participate in debate and to vote on any matter that comes before Council. However, a Council member who has a conflict of interest with respect to a matter that comes before Council will disclose the conflict when speaking on the matter in Council proceedings.

2. Committees of Council

(a) A member of a committee of Council will conduct themselves so as to avoid conflict of interest or the appearance of conflict of interest.

(b) A member of a committee will disclose and identify any conflict of interest or perceived conflict of interest affecting that member.

(c) A member of a committee will abstain from voting in committee proceedings on matters on which they have a conflict of interest. When appropriate, the member will withdraw from all committee deliberations with respect to the matter.

(d) The Chair or a member of a committee will be entitled to raise the question of whether another member has a conflict of interest or perceived conflict of interest on a matter before the committee.

(e) The Chair or a member of a committee is entitled to ask another member who has or is perceived to have a conflict of interest to withdraw from the deliberations of the committee and/or to refrain from voting on a matter before the committee.

(f) If a request referred to in paragraph (e) to withdraw from the deliberations of the committee or to refrain from voting on a matter before the committee is denied by the member to whom the request is directed, the fact that the request was made and was denied will be recorded in that portion of the committee’s report relating to the matter.

3. Conflict of Interest Defined

A conflict of interest exists for a member of Council or a member of a Council committee when, with respect to a matter being considered by Council or the committee:

(a) the decision being made is such that the member could not reasonably be expected to exercise independent judgment because of the effect the decision
would or would be likely to have on the member or a person closely related or closely associated with the member; or

(b) as a result of occupying a position or holding an office in an organization, the person is legally obligated to subordinate the interests of the University to the interests of the organization when dealing with the matter.

Subject to the approval by Council and confirmation by Senate of a strategic enrolment management plan, Council delegates to colleges and schools the management of enrolment in accordance with the approved plan.
VIII. Admission of Students

Under section 61(1)(i) and (l) of the Act, Council is authorized to prescribe academic and other qualifications required for admission as a student, and to prescribe and limit the number of students who may be admitted to a college or a program of study. Subject to the authority given to Senate under the Act, Council will approve admission qualifications for all programs. Upon the approval of Council and subject to any necessary approvals by Senate, these may be published and go into effect.

1. Council may establish policies, regulations and procedures concerning admission of students and granting of credit for prior learning.

2. In accordance with these regulations, Council may delegate to Faculty Councils and/or to the Admissions Office responsibility for setting application deadlines and for the assessment of applications and for making admission offers in accordance with the admission qualifications approved by Council.

IX. Examinations, Grading, and Assessment of Students

Under section 61(1)(g) and (j) of the Act, Council is authorized to prescribe methods and rules for evaluating student performance, including prescribing examination timetables and the conduct of examinations, and to hear appeals by students or former students concerning academic decisions affecting them.

1. The Examiners of the University shall be:

   (a) The Professors, Associate Professors, Assistant Professors, Lecturers, Special Lecturers, Sessional Lecturers and Instructors of the University.

   (b) Such other Lecturers or teachers of the University as Council may appoint.

   (c) By delegation from Council, such adjunct faculty, professional affiliates, professors emeriti and external and independent examiners, not included in (a) or (b), as the College of Graduate and Postdoctoral Studies may appoint to serve on graduate studies examining committees and boards for the purpose of assessing candidates for graduate-level degrees and diplomas.

2. Council may establish policies, regulations and procedures concerning the examination, grading and assessment of students and concerning the degrees and distinctions to be conferred by the University, as well as policies, regulations and procedures governing student appeals in academic matters. Such policies, regulations and procedures may include delegation of authority by Council and shall be published and made available to students.

3. Section 23 (g) of the Act authorizes the Senate to appoint examiners for and make bylaws respecting the conduct of examinations for professional societies or other bodies if the university or any of its agencies is required or authorized by any act to do so.
X. **Affiliation and Federation**

1. Under section 61 (1) (e) of the Act, Council has the power to authorize the Board to provide for affiliation or federation with any educational institution, or the dissolution of any affiliation or federation with any educational institution. Under 62 (3) (d), a decision to authorize the dissolution of any affiliation or federation is to be reported to the Senate at its next meeting and is not to be implemented until either the Senate confirms the decision or 12 months have passed following the end of the fiscal year in which the decision was made, whichever is earlier.

2. Under 23 (k) and (l), the Senate may receive proposals respecting the affiliation or federation of any educational institution with the university and recommend to the Board and Council whether or not the proposed affiliation or federation should be made. Senate may also consider and recommend to the Board and Council whether or not any affiliation or federation should be dissolved because of lack of relevance to the province.

3. Principles for federation and affiliation with the University of Saskatchewan, which are representative of the current relationships with federated and affiliated colleges, and are the basis for considering future requests, are as follows.

   (a) **Relationships of affiliation or federation should be based on academic interests shared by the university and the candidate institution.** Though it is possible to conceive of many reasons for entering into partnerships or collaborative relationships with other institutions – sharing space or other resources or joining together in government relations initiatives, for example – the particular relationship of affiliation or federation should be founded in common academic goals and interests, such as programming for students or advancing a research agenda.

   (b) **Relationships of affiliation or federation should be based on shared support for the university’s vision, mission and values.** The governing bodies of the University of Saskatchewan have adopted a statement setting out the vision, mission and values that will guide the institution. Though the university cannot require that other institutions are guided by identical values or an identical mission, the university can only enter into relationships of affiliation or federation on terms that are consistent with the values held by the university and the vision it has adopted.

   (c) **The university should approach the request for a relationship of federation or affiliation in a spirit of respect for the distinctive history, traditions and achievements of the candidate institution.** Though the university should not enter into relationships of affiliation or federation on terms that undermine the stated vision, mission and values of the institution, the university should not demand that an affiliated or federated institution conform in all respects to the university’s established practices and procedures. The rationale for creating relationships of affiliation or federation is in part that the university is enriched by the distinctive perspectives brought by the partner institutions.
(d) **The significant elements of a relationship of affiliation or federation should be reflected, insofar as possible, in written agreements.** Though strong partnerships are marked by flexibility, informality and vigorous personal connections, it is important that the basic terms to which the partners have agreed are clearly documented in writing.

(e) **Consideration should be given to the reciprocal contributions that can be made by the university and the candidate institution.** Though the university is likely to be the larger partner in these relationships, the formation of the partnership should take into account fully the contributions both parties can make to the lives of their respective institutions.

(f) **Provision should be made for regular review of the relationship with the candidate institution.** The potential for refreshing and reforming the relationship should be provided for through a regular cycle of reviews. Academic institutions are not stagnant, and their relationships should be examined on occasion to ensure that the goals for the partnerships are being met effectively.

(g) **Consideration should be given to developing clear pathways for students between programs offered by the university and the candidate institution.** In keeping with the obligation of post-secondary institutions to support the career aspirations of their students, the question of whether a relationship of affiliation or federation provides an opportunity to establish academic pathways or ladders for students should be a factor in defining the relationship.

(h) **Consideration should be given to the role the candidate institution might play in the governing bodies of the university.** The *University of Saskatchewan Act 1995* provides that affiliated and federated institutions have representation on both Council and the Senate. The partners should consider how this opportunity to participate in university governance can be most effectively deployed. A Council of Affiliated and Federated Institutions (CAFI) will be established to that effect.

(i) **Consideration should be given to whether an alternative form of partnership might be more appropriate.** Given the involvement of affiliated and federated institutions in university governance, it is clearly contemplated that these relationships will be of a comprehensive nature. Where the interest of the parties is restricted to individual programs or projects, there may be other forms of relationship that are more appropriate.

(j) **The academic standards and integrity of the candidate institution should be a factor in determining whether the university will enter into a relationship of affiliation or federation.** It is important to the university that any candidate institution be able to demonstrate standards of academic attainment and institutional integrity that will be consonant with the level of expectation to which the university holds itself.
4. Affiliation

(a) The aim of affiliation is to associate with the University for the purposes of promoting the general advancement of higher education in the province, those institutions which are carrying on work recognized as of university grade by Council of the University, where such association is of mutual benefit to the University and the institution seeking affiliation.
